CALL FOR PAPERS and REGISTRATION

The Seminar will follow the usual format with the Asia Pacific Cabin Safety Working Group meeting on Friday and two days of presentations on the Saturday and Sunday. The reception will be held on the Friday evening and dinner on the Saturday night.

In addition this year there will be the inaugural ASASI/NZSASI golf tournament

Registration is now open and the form is attached. Details are also available on our website.

Call for Papers

We are seeking papers on contemporary air safety issues, recent developments, and current or recently completed investigations. Attendees and presenters from industry or outside the region are particularly welcome.

If you have considered making a presentation it is not too late to make an offer. There are still some slots on the program.

Intending presenters are invited to submit name and position, a brief bio and an abstract of the presentation (approx. 100 words) to alister.buckingham@gmail.com and laurie.earl@xtra.co.nz as soon as possible, with a target date of 1 May 2019 for receipt of the full presentation.

Note there is a reduced registration fee for presenters.
